Under 49 U.S.C section 14706(c)(1)(A)(B) and the terms and conditions set forth on the reverse page of this Bill of Lading, Ground Freight Expeditors LLC ("Forwarder") liability to Customer is limited. Forwarder offers alternative levels of liability to Customer, which has the opportunity to avoid Forwarder's limited liability as follows: Customer may elect to declare the nature and value of the above Goods prior to the Carriage by declaring such value below and by paying the corresponding ad valorem rate. If Customer elects not to do the foregoing, the Customer knowingly and willingly elects to ship the above Goods under the Forwarders's regular/lower rates, the consequence of which is that in no event shall the Carrier or its servants and/or agents be or become liable for any loss of or damage to or in connection with the Carriage of the Goods in an amount exceeding the lesser of \$.50 per pound or \$50.
